Thanks Gary for the update. I compiled a few things to be ready to get the work plan, QAP (standard one already in place), and HASP. Should be able to get through it pretty quick once the go is given.

Not yet; I did get an email from Kathy yesterday that she got it, so it should be in the works now to get it done.

Any news on the work order? Just thought I would check.

I hope all is well.
